SPECIAL PROVISION

REVISIONS TO ARTICLE 106.05 OF THE GENERAL PROVISIONS

106.05 Contractor's Quality Control

Add the following paragraph:

- d. The Contractor shall submit for approval and implement a Quality Control Plan according to Special Provision 665 – Contractor Quality Control Plan (CQCP) Requirements for Hot Plant Mix Asphalt (HPMA) and specific instructions to bidders included when said special provision and instructions are included in the contract. The CQCP will be paid according to Special Provision 665.
